

Our goal is to teach pre-kindergarten to 8th grade kids from Beatrice and the surrounding communities wrestling skills and techniques and self-discipline. We build character and self-esteem in a safe and fun environment!

In practice kids learn new moves, practice skills, do some live wrestling and play games that improve physical health, increase coordination, and are lots of fun!

To join our team click on the "News" to find out when our sign up is or if you have missed our sign up you can always contact one of the our board members for details. Click on "Contact Us" for a list of phone numbers.
